

**IF YOU WOULD LIKE DUST CONTROL PLEASE RETURN THIS FORM BY
MARCH 31, 2025**

**AGREEMENT
for
DUST CONTROL
For the year 2025**

**Between the Rural Municipality of Bratt's Lake No. 129
(hereinafter called "the R.M.")**

and

**_____, (hereinafter called "the Landowner")
(please print the name of Landowner)**

**of _____
(please print the mailing address of Landowner) _____ (phone number(s))**

**_____
(email)**

WHEREAS, the R.M. is a rural municipality in the Province of Saskatchewan that provides or offers a variety of municipal services to its residents and ratepayers; and

WHEREAS, the landowner requests the R.M. to arrange for the application of a dust control product on a municipal road in front of his/her occupied farm site;

- Same as last year**
- Contact me to change the distance**

WHEREAS, the landowner requests that dust control be applied to that municipal roadway in front of the occupied farm site located at the following land location:

Parcel _____

Quarter Section _____

Section _____

Township _____

Range _____

West of the Second Meridian

WHEREAS, the landowner understands and agrees to the following policy:

General

- 1) Only an approved dust control applicator arranged by the municipality is permitted.
- 2) Only Magnesium Chloride will be used for dust control.
- 3) Dust control will only be applied to roads within and maintained by the municipality.
- 4) Dust control will be permitted at occupied farm sites, any other requests will be at the discretion of Council.
- 5) A standard distance of 150 metres (492 feet) will be authorized, additional distance requests will be at the discretion of Council.
- 6) The municipality will grade through any site at any time it deems necessary to do so.
- 7) Dust control does not have a guaranteed time of usefulness, many factors will determine the length of time it is useful.
- 8) The municipality only applies the dust control in May of each year, any additional applications will be at the discretion of Council.

Process and Costs

- 1) All requests for dust control will be made at the office.
- 2) A dust control agreement must be signed and submitted by the annual deadline.
- 3) The municipality will notify residents of the deadline for the dust control agreement to be submitted to the office each year.
- 4) The agreement must be signed by the property owner.
- 5) The ratepayer will be responsible for 100% of the cost of the dust control product which may include product, delivery, taxes and fuel surcharge.
- 6) The municipality will contribute by supplying the gravel, water and grading prior to application. Gravel and water will only be applied if necessary and will be at the municipality's discretion.
- 7) After the dust control is applied the municipality will invoice the ratepayer and the invoice is due upon receipt.
- 8) If the invoice is unpaid at December 31 the amount will be added to the ratepayers taxes.

I agree and understand all of the terms and conditions of this agreement and request the R.M. of Bratt's Lake No. 129 to arrange for dust control treatment to be applied to the municipal roadway in front of the yard site that I own (the land location is described on page 1 of this agreement).

Dated and signed at _____, Saskatchewan,
this _____ day of _____, 20____.
